EDUCATION

Bachelor of Technology (B.Tech) in Information Technology
Hemvati Nandan Bahuguna Garhwal University(A Central University)

05/2019 - Present   *7.02*

XIIth (Intermediate)
St. Theresa's Convent School (Srinagar Garhwal)

04/2018 - 04/2019   *80.40%*

Courses
- Physic Chemistry Maths Computer Science

X (High School)
St. Theresa's Convent School (Srinagar Garhwal)

04/2016 - 04/2017   *85%*

WORK EXPERIENCE

Web Developer Intern(MERN)
Behere Elite Private Limited

08/2022 - 12/2022   *Delhi*

Provides IT related Services

Achievements/Tasks
- Collaborated with a team to develop the front end of an e-commerce application, connecting it with the backend, and rendering dynamic content from the database.
- Made the web application responsive to attract customers through mobile phones.
- Breaking pages into components in order to make efficient and reusable code
- Testing of backend API's of the web application using postman.
- TechStack used - ReactJs, MongoDB, NodeJs, ExpressJs, RestApi, and Github.

Web Developer Intern(MERN)
Sparks Foundation(GRIP)

07/2022 - 08/2022   *Remote*

Achievements/Tasks
- Simulated a Full stack Basic Bank application using MERN stack with functionality like sending and receiving data and displaying the user's balance.

SKILLS

- Proficient in languages such as C++(OOPS),Java ,HTML, CSS,React.js, JavaScript and MERN stack
- Good analytical and problem-solving skills
- Familiarity with RESTful APIs ,Webservices and Knowledge of modern authorization mechanisms, such as JSON Web Token as well as data analysis.
- Building reusable components and front-end libraries for future use
- Experience working with version control systems such as Git and dataBases like MongoDb,MySql/Oracle

PERSONAL PROJECTS

My Portfolio (02/2023 - 03/2023)
- This is a cutting-edge portfolio web application built with React.js , showcasing my skills and coding profiles.
- This project allows me to highlight my technical skills & demonstrate my projects in an interactive & visually appealing manner, providing potential employers with a comprehensive view of my work.
- Recuriter should visit this below link inorder to know more about my skills and projects I've worked upon.
- Live Demo - https://portfolio-ritesh9211.vercel.app/

Play Store Data Analysis(EDA) (02/2022 - 04/2022)
- Performed a comprehensive analysis of Play Store data to gain insights into user behavior, app trends, and other key metrics.
- Used Kaggle to collect data on Play Store apps. The data was then cleaned and analyzed using various statistical and ML techniques
- The project utilized Python programming language and various libraries such as Pandas, NumPy, and Matplotlib.
- The project uncovered several interesting trends, including the most popular app categories, the impact of app ratings on downloads, and the relationship between app size and user ratings.

CERTIFICATES

Round B1 Participation in global coding contest (smackdown)by codechef
Participated in smackdown and reached RoundB1
https://www.codechef.com/certificates/public/119e75f

Institute Of Innovation Cell(Ministry of Education Initiative) (05/2020 - 05/2021)
Ex-member of IIC cell for the academic year 2020-2021. Organizing online and offline innovation events as well as a team meeting
